

How to Deal With Office Chaos Effectively When They Occur

Are you spending most of your time fire-fighting at work? Rushing from one problem to another?

If you are, you need to learn how to manage office chaos and disruption. Your ability to deal with office chaos has an impact on your career. Unless you know how to manage office chaos, it will derail your career, disrupt your life and even destroy your sanity.

At the workshop, you will learn how to manage office chaos by planning your day and adjusting to shifting demands. You will learn how to deal with interruptions from your supervisor and peers, and how to be professional and assertive in solving problems.

Discover strategies that you can use to alleviate and eliminate chaos at your workplace. With these strategies in place, you will have less stress and a more productive workplace.

“There is an immutable conflict at work in life and in business, a constant battle between peace and chaos. Neither can be mastered, but both can be influenced. How you go about that is the key to success.” *Phil Knight, Chairman, Nike*

How you will benefit

By the end of the workshop, you will be able to:

- Reduce and eliminate chaos at your workplace
- Identify and prioritise important workday activities
- Use the right tools to make tough decisions
- Remain focused and act decisively when managing chaos and when priorities change

What you will learn

What you will learn in this workshop:

- Identify the various types of chaos at your workplace
- Identify the cause of the chaos using tools like fishbone, mind maps and affinity diagrams
- Determine priorities using SWOT analysis
- Use Priority Matrix to identify important and urgent activities
- Draw up an action plan that will allocate time for priority items, chaos and interruptions
- Manage chaos that are created by your boss or your peers
- Manage information-related chaos effectively
- Respond assertively when managing conflicts, interruptions and shifting work priorities

Who should attend

Managers, executives, supervisors and personal assistants facing increasing workloads, multiple projects, tight deadlines and shifting priorities.
